

Welcome

We understand the importance of offering quality care while respecting the dignity, values and needs of our patients so that they can attain peace of mind. Just as if we were family... We are **Home Health 4U, Inc.** at your service.

Supporting your Right to Stay at Home

Since home is a place where you can feel most comfortable, be yourself and have that sense of feeling secured and relaxed, you can choose to stay there. Caring for you at home is our specialty. We are committed to our mission to deliver excellent, quality, comprehensive and safe care with a passion. It is with confidence that we offer you with our home health services delivered straight to your homes by licensed health professionals.

The landscape of health care in the country has been significantly changed by home health care. It is because the care programs are easier to access and more convenient to manage. These are made possible through physician-directed and patient-centered care programs such as skilled nursing, therapy (physical, occupational and speech), home health aide, medical social services.

Why Trust Us

Home Health 4U, Inc. is one of the largest and most trusted home health service providers in the state. Serving our clients from our main office in Granada Hills, California, we coordinate several multi-disciplinary teams to serve the various counties and cities in the area.

Since the beginning, we've made it a point to personalize our services. This is also the reason why our clients hold loyal patronage to our services. Over the years, we've significantly grown as a home health services company through referrals and recommendations – both by clients and physicians of our clients.

Spreading great service throughout our service areas, soon to be serving you! Your family deserves more than just structured care. At Home Health 4U, Inc., we deliver personalized care and an unwavering faithfulness to fulfill your healthcare needs.

Home Health 4U, Inc. has home health services that are ideal for the elderly, disabled and terminally-ill. We also offer support services and counseling for families.
